INTERNATIONAL WEBINAR ON CYBER SECURITY AND ARTIFICIAL INTELLIGENCE

Activity Name	International Webinar on Cyber Security and Artificial Intelligence
Date of Activity	27.09.2025
Mode of Conduct	Hybrid
Time	11.30 AM – 1.30 PM
Participants	Students: 770 Faculty: 30
Description	Auxilium College of Arts and Science for Women, Regunathapuram, belonging to the INT Province of Our Lady of the Snow, Tiruchirappalli, organized an International Webinar on "Cyber Security and Artificial Intelligence" on 27th September 2025. The event was conducted under the network of the Institutions of Higher Studies of the FMA (ISS–FMA) and became a vibrant platform of learning and collaboration for young people across continents. The presence of Rev. Sr. Ivone Goulart Lopes from the Youth Pastoral Sector, ISS–FMA, Rome, Rev. Sr. Majella, Provincial of the INT Province, Tiruchirappalli, Sr. Dr. Regina Mary, Coordinator for ISS Asia–Africa, along with all the Principals of Higher Education Institutions of the FMA network—added grace and significance to the gathering. Faculty members and students from Auxilium institutions worldwide joined, making it a truly global encounter of minds. The webinar witnessed the enthusiastic participation of more than 800 young people from Auxilium Higher Education Institutions across Asia and Africa. The session commenced with a prayerful invocation, seeking God's blessings for wisdom and inspiration. Rev. Dr. Sr. Pushpa, Principal of Auxilium College, extended a warm welcome to the participants and joyfully introduced the distinguished keynote speaker, Dr. Vijay Prasad, Assistant Professor (Selection Grade III) in the Department of Computer Applications, School of Technology, Assam Don Bosco University, Guwahati. Dr. Vijay Prasad, in his powerful presentation, shed light on the theme *"*Cyber Security and Artificial Intelligence.*"* His insightful reflections unfolded the opportunities and challenges of the digital era, helping participants realize how technology can serve humanity when guided by responsibility and ethics. With clarity of thought and depth of expertise, he invited young people to envision themselves as guardians of society in the digital world, balancing innovation with integrity. His words inspired participants to embrace technology not only as a tool of progress but also as a mission of safeguarding truth and justice in a fast-

	changing world. The engaging interactive session allowed students and faculty to raise questions, exchange ideas, and share perspectives. This dialogue enriched the discussion further, making the learning experience dynamic and memorable. As the program drew to a close, Ms. Joncy, Assistant Professor and Head of the Department of Physics, delivered the Vote of Thanks, expressing heartfelt gratitude to the speaker, dignitaries, organizers, and all participants. She highlighted how the event had sown seeds of inspiration in the hearts of young people to face the future with confidence and commitment. The International Webinar on Cyber Security and Artificial Intelligence was not merely an academic exercise but a call to action—a call for youth to rise as leaders of the digital age with responsibility, awareness, and innovation. It left the participants with renewed determination to use technology as a force for good, building a safer and more humane future for all.

VIGILANCE AWARENESS WEEK

Activity Name	Vigilance Awareness Week
Date of Activity	27.10.2025
Mode of Conduct	Offline
Time	11.00 am
Venue	Room No - 26
Participants	Faculty:5 Students:95
Description	The Vigilance Awareness Week 2025 was observed nationwide from 27th October to 2nd November 2025, as per the directives of the Central Vigilance Commission (CVC). The theme for this year, "Our Shared Responsibility," emphasized the collective role of individuals and institutions in promoting transparency, integrity, and accountability in all spheres of life. In line with this national initiative, a Vigilance Awareness Programme was organized at Auxilium College of Arts and Science for Women, Regunathapuram, on 27th October 2025 at 11:00 a.m. The programme aimed to nurture a spirit of ethical consciousness and responsible citizenship among students and faculty members. The event commenced with the Tamil Thaai Vazhthu, followed by a warm welcome address by Ms. D. Pappitha, Cyber Crime Leader, II M.Sc Computer Science, who greeted all the participants of the event, including Rev. Dr. Sr. Sebasti Jeya Pushpam, Principal of the College. Dr. S. Padmavathi, Coordinator, Cyber Crime Club, delivered an insightful and thought-provoking address on the importance of vigilance and the detrimental effects of corruption. She elaborated on different forms of vigilance, key anti-corruption laws, and the importance of individual integrity in fostering a just and fair society. Her speech encouraged participants to uphold moral values, transparency, and ethical conduct in their personal and professional lives. As part of the observance, all participants took the Integrity Pledge, reaffirming their commitment to honesty and good governance. An online quiz on vigilance and anti-corruption awareness was also conducted, enhancing participants' understanding of ethical responsibility. The session inspired everyone to reflect deeply on their moral obligations and the collective responsibility we share in eradicating corruption. The event successfully instilled the message that vigilance is not just an individual act, but a shared commitment to building a transparent and value-based society.
