NAAN MUDHALVAN FACULTY DEVELOPMENT PROGRAMME

Activity Name	Naan Mudhalvan Faculty Development Programme
Date of Activity	24.06.2024-29.06.2024
Mode of Conduct	Offline
Time	9.30 AM - 4.30 PM
Participants	Faculty : 01
Description	<p>The Department of Commerce is pleased to report that Dr. S. Joshphin Nirmala, Assistant Professor, participated in a six-day Faculty Development Programme titled FIN-PRO (Financial Professional Gateway), conducted by Bharathidasan University under the Naan Mudhalvan scheme. The programme was held from June 24 to June 29, 2024, in offline mode. The event commenced with a warm welcome address by Miss Dhanalakshmi Narasimhan, Coordinator of NSE Academy at Bharathidasan University. The programme aimed to provide comprehensive training and up-skilling in financial literacy and investment strategies, especially in the area of stock market investments.</p> <p>Mr. Subhaiya, the resource person for the programme, delivered insightful sessions on fundamental concepts related to financial markets. He effectively addressed critical questions such as how, when, and why to invest in the share market. His interactive sessions, rich in real-world examples and practical knowledge, helped participants understand key investment principles and decision-making strategies.</p> <p>The programme proved to be a valuable learning experience, equipping participants with enhanced knowledge, skills, and perspectives in the financial domain. Its success can be attributed to the well-structured content, engaging delivery and expert guidance provided throughout the sessions.</p>

MENTORING SESSION ON LEAN START-UP & MINIMUM VIABLE PRODUCT/BUSINESS

Activity Name	Mentoring Session on Lean Start-up & Minimum Viable Product/Business
Date of Activity	29.08.2024
Mode of Conduct	Offline
Time	11.00 AM - 04.00 PM
Participants	Students:85 Faculty:06
Description	<p>On August 29, 2024, the Department of Commerce hosted a seminar titled "Lean Start-Up & Minimum Viable Product/Business" in the Multipurpose Hall. The event was honored by the presence of Dr. A. Leema Rose, who served as the Chief Guest. The seminar was attended with enthusiasm by 85 students and six faculty members. Dr. A. Leema Rose was warmly welcomed by Dr. Sr. Sebasthi Jeya Pushpam, Principal, and Dr. Sr. Santiago Theresal, Vice Principal of the College. Their gracious hospitality set a positive tone for the seminar.</p> <p>Dr. A. Leema Rose delivered an engaging and informative session on key concepts related to Lean Start-Up and Minimum Viable Product/Business. The seminar encompassed several essential topics:</p> <p>Evaluation of the Product: Dr. A. Leema Rose discussed effective methods for evaluating a product, highlighting the significance of market research and customer feedback. She emphasized how these evaluations can guide product refinement and market fit.</p> <p>Innovation Ideas: The Chief Guest shared various innovative strategies that can be applied to enhance a product. This segment aimed to inspire students to embrace creative thinking and implement novel solutions in their projects.</p> <p>Product Launching: Detailed guidance was provided on successful product launching strategies. Dr. A. Leema Rose offered practical advice on planning and executing a product launch to ensure maximum impact and visibility.</p> <p>Product Development: The seminar covered the iterative process of product development, stressing the importance of prototyping, testing, and refining products based on real-world feedback to achieve continuous improvement.</p> <p>The event saw active participation from students, who eagerly engaged with Dr. A. Leema Rose. They took the opportunity to interact directly, ask questions, and gain</p>

valuable insights from her expertise.

The seminar on "Lean Start-Up & Minimum Viable Product/Business" concluded successfully with positive feedback from both students and faculty. The knowledge imparted by Dr. A. Leema Rose provided participants with practical skills and innovative ideas crucial for entrepreneurial success. The event significantly enhanced understanding and contributed to creating a dynamic learning environment.

The Department of Commerce extends heartfelt thanks to Dr. A. Leema Rose for her valuable contribution and to all participants for their enthusiastic involvement. This seminar represents a significant advancement in our commitment to delivering practical and impactful learning experiences.

NATIONAL SMALL INDUSTRY DAY

Activity Name	National Small Industry Day
Date of Activity	30.08.2024
Participants	Students :69 Faculties :06
Description	<p>The Department of Commerce at Auxilium College of Arts and Science celebrated National Small Industry Day on August 30, 2024, in alignment with the national observance that honors the significant contribution of small-scale industries to India’s economic growth.</p> <p>A total of 69 students and 6 faculty members actively participated in the event. The program began with Ms. K. Gugapriya, a first-year M.Com. student, who gracefully hosted the event.</p> <p>Mrs. A. Anitha Janova shared her insightful experience from a recent visit to a small-scale industry. She elaborated on various aspects of small industries including capital requirements, key features, common challenges, and the journey toward success in the sector. Her presentation gave the audience a practical perspective on the functioning and struggles of Small Scale Industries (SSI).</p> <p>Additionally, Ms. A. Anjulin Dalphi, a second-year M.Com. student, created and presented short video clips highlighting the essence and impact of small industries. Her creative work added an engaging visual element to the event, helping the audience connect with the subject more deeply.</p> <p>Overall, the event fostered a spirit of entrepreneurship and innovation among the students. It encouraged them to explore opportunities within the small-scale industry sector. All participants observed the session with enthusiasm and gained valuable knowledge about the functioning and importance of SSIs in the national economy.</p>

RESEARCH METHODS & COMPUTER DATA ANALYSIS FOR SOCIAL SCIENCES RESEARCHERS

Theme	Innovation and Design Thinking
Activity Name	Research Methods & Computer Data Analysis For Social Sciences Researchers
Date of Activity	11.09.2024 & 12.09.2024
Mode of Conduct	Offline
Level of Activity	Level - 3
Participants	Students: 138 Faculty:23
Description	<p>On September 11th and 12th, 2024, the Departments of Commerce and Business Administration jointly organized a two-day state-level seminar on the topic "Research Methods & Computer Data Analysis for Social Sciences Researchers." The event was designed to enhance the research skills of students, faculty members, and external participants, particularly in the domain of social sciences.</p> <p>The seminar was honored by the presence of the esteemed chief guest, Dr. M. Kannan, Facilitator and Head of the Department of Research, Madurai, whose vast expertise in research methods and data analysis greatly enriched the discussions over the two days.</p> <p>Day 1: Inauguration and Technical Sessions</p> <p>The seminar commenced on September 11th, 2024, with an inauguration ceremony at 9:30 a.m. The ceremony began with a prayer and was graced by the presence of distinguished guests, including Dr. M. Kannan, the Secretary Sr.Magnificat, Principal Dr.Sr.Jeya Pushpam, and Vice Principal Dr.Sr. Santiago Theresal of our institution.</p> <p>Following the formal inauguration, Dr. Kannan initiated the first technical session at 10:00 a.m., which attracted a large gathering of approximately 161 participants. Attendees included students and faculty members from the host institution as well as external participants from Auxilium College, Madurai; Bon Secours College, Thanjavur; and Pondicherry University.</p> <p>Session Highlights:</p> <p>Dr. Kannan delivered an engaging and insightful session, covering the foundational aspects of research in social sciences. His lecture was structured around the following key areas:</p> <ul style="list-style-type: none"> • Introduction to Research: An overview of the fundamental principles of conducting research, particularly in the field of social sciences. • Types of Sciences: Differentiating between various branches of science and their

significance in research.

- **Concepts and Variables:** A thorough explanation of core research concepts and the importance of identifying variables in research.
- **Levels of Measurement:** A detailed discussion on different levels of measurement and their application in quantitative research.
- **Types of Variables and Variable Mapping:** Clarifying the categorization of variables and the method of mapping them for analysis.

Participants found the session to be highly enriching, appreciating Dr. Kannan's ability to simplify complex topics and make them accessible. His interactive teaching style fostered active participation and created an engaging learning atmosphere.

Day 2: Research Process and Practical Training

On **September 12th, 2024**, the second day of the seminar began with a focus on the general research process, providing a detailed exploration of both theoretical and practical aspects of research in social sciences.

Session Structure:

Dr. Kannan structured the day's session around two primary phases:

- **Phase I: "What to Do":** A comprehensive discussion of the ten essential steps to initiate a research project, including topic selection, literature review, and formulating research objectives.
- **Phase II: "How to Do":** An in-depth analysis of the twenty key steps required for conducting research, focusing on research design, data collection, and data analysis.

Dr. Kannan further expanded on the **concept of hypotheses** and its various types, offering participants valuable insights into hypothesis formulation and testing. This was particularly beneficial for those planning to pursue advanced research.

The seminars concluded with a hands-on demonstration **on of the SPSS software**, a widely-used tool for statistical analysis in social sciences research. Participants were given practical exposure to data entry, coding, and running basic statistical tests using SPSS. This practical session equipped the attendees with essential skills needed to apply statistical analysis in their own research projects.

The two-day seminar was an overwhelming success, offering valuable learning experiences to both novice and seasoned researchers. Participants, including our students, staff, and external attendees, expressed their appreciation for the depth of knowledge shared during the sessions. The practical training in SPSS was particularly well-received, as it provided attendees with crucial data analysis skills, enhancing their research capabilities.

The seminar not only strengthened the academic community's understanding of research methods but also inspired participants to pursue higher studies and research projects with greater confidence and competence. The Departments of Commerce and Business Administration are proud to have organized such an impactful event and look forward to hosting similar initiatives in the future.

ABOUT THE COLLEGE

Auxilium College of Arts and Science for Women, founded in 2007, is affiliated with Bharathidasan University, Tiruchirappalli. The college aims to provide higher education to women from rural and marginalized villages in the surrounding areas. Auxilium College has been accredited with an "A" grade by NAAC.

ABOUT THE DEPARTMENTS

The UG & PG Department of Commerce is a well-established and flourishing section of this institution. Since its inception in 2008, the department has consistently produced excellent results, including university ranks every year. The Department of Commerce (CA) and the Department of Business Administration, established in 2023, focus on a wide range of activities such as seminars, inter-departmental competitions, inter-collegiate meets, cultural events, and sports activities. Additionally, they organize frequent industrial visits to enhance students' knowledge and prepare them for their better future.

ABOUT THE SEMINAR

The scope of this seminar is to enable the participants with a clear perception about research methodologies and computer analysis for social research. It is also aimed to enhance their skills in data collection, analysis and interpretation.

OBJECTIVE

- ◆ To describe the components of the research process and their interconnections.
- ◆ To explore data requirements, sampling schemes, and questionnaire-based data collection.
- ◆ To practice exploratory data analysis, linear regression, and hypothesis testing using SPSS.
- ◆ To enable participants to write impactful research papers and theses.

NATIONAL EDUCATION DAY

Theme	Innovation & Design Thinking
Activity Name	National Education Day
Date of Activity	11 November, 2024
Mode of Conduct	Offline
Level of Activity	Level - 1
Participants	Faculty: 05 Students: 50
Description	<p>The Auxilium Institution Innovation Council (AIIC), in collaboration with the Department of Commerce, celebrated National Education Day on November 11, 2024. The program was inaugurated by the Principal, Sr. M. Sebasti Jeya Pushpam, who warmly welcomed the attendees and emphasized the significance of the occasion.</p> <p>The guest speaker, Ms. S. Juliet Sellammal, delivered an inspiring talk on the Importance of Education. She highlighted several key aspects, including:</p> <ol style="list-style-type: none">Awareness Raising: She underscored the importance of inclusive and equitable education as a fundamental right and a cornerstone for personal and societal development.Reflection on Progress: The day encourages stakeholders to assess advancements in the educational sector while identifying areas needing improvement to ensure continuous growth.Inspiration for Future Generations: Events like these aim to motivate students and educators to strive for excellence, fostering critical thinking and creativity to shape future-ready generations in an ever-changing world. <p>Ms. Juliet Sellammal also emphasized the significance of National Education Day as a tribute to Maulana Abul Kalam Azad, whose invaluable contributions to India's educational landscape have left a lasting impact. By reflecting on past achievements and challenges, she called for continued efforts toward ensuring quality and inclusive education for all.</p>

The session enriched students' understanding of the importance of education and inspired them to pursue academic excellence and personal growth. The event concluded with an interactive discussion, leaving participants motivated and better informed about the role of education in shaping a brighter future.

DEMO DAY/EXHIBITION

Theme	Innovation & Design Thinking
Activity Name	Idea Showcase: Demo Day/Exhibition/Poster Presentation of Ideas/PoC & linkage with Innovation Ambassadors/Experts for Mentorship Support
Date of Activity	13 - 14 November, 2024
Mode of Conduct	Offline
Level of Activity	3
Participants	Faculty:07 Students:63
Description	<p>The Auxilium Institution's Innovation Council, in collaboration with the Department of BBA & B.Com CA, organized an inspiring two-day Idea Showcase: Demo Day/Exhibition/Poster Presentation of Ideas/PoC & linkage with Innovation Ambassadors/Experts for Mentorship Support on November 13 - 14, 2024. The event aimed to cultivate innovative thinking, entrepreneurial spirit, and hands-on learning among students.</p> <p>Day 1: Showcasing Innovation & Entrepreneurship</p> <p>The first day commenced with a warm welcome for Ms. Punitha, Innovation Ambassador of Auxilium Institution’s Innovation Council, by Ms. A. Princiya, fellow Innovation Ambassador.</p> <p>Students enthusiastically presented their creative projects, demonstrating resourcefulness and sustainability through:</p> <ul style="list-style-type: none"> ➤ Natural Lip Balm Production – Crafting eco-friendly beauty products. ➤ Hair Bands from Waste Materials – Upcycling discarded items into fashionable accessories. ➤ Candle Making – Exploring the art of handcrafted candle production. <p>Adding to the session’s impact, Ms. K. Gukapriya (M.Com) and Ms. J. Jubi Jersha (M.Com) shared their entrepreneurial journeys, highlighting how their skills and knowledge empowered them to transition into successful business ventures. Their stories served as a beacon of inspiration, encouraging students to embrace innovation as a pathway to entrepreneurship.</p> <p>A lively Q&A session followed, where students actively engaged with the demonstrators, seeking insights into innovation and business strategies. The session concluded with a heartfelt vote of thanks by Ms. A. Anitha Janova, expressing</p>

gratitude for the invaluable contributions of the Resource Person.

Day 2: Exploring Creativity & Hands-on Learning

The second day welcomed Ms. R. Shanthi, Assistant Professor, Department of Tamil, as the Resource Person, introduced by Ms. S. Thesika, Assistant Professor, Department of BBA.

Students once again showcased their creative ingenuity through:

- Soap Making – Demonstrated by Ms. R. Mahalakshmi (M.Sc. Physics), unveiling the chemistry behind handmade soaps.
- Embroidery Design – Presented by Ms. J. Jubi Jersha (M.Com), illustrating the intricate craftsmanship of embroidery.

The session sparked curiosity and inspiration among participants, encouraging them to explore their own innovative potential. The event concluded with an interactive Q&A session, where students eagerly sought guidance from the presenters. Ms. A. Princiya, Innovation Ambassador, delivered a gracious vote of thanks, acknowledging the contributions of all involved.

Conclusion: A Celebration of Innovation & Entrepreneurship

The two-day event proved to be a resounding success, providing students with hands-on experience, entrepreneurial motivation, and mentorship support. It fostered a culture of creativity and innovation, equipping participants with practical skills and valuable insights to pursue their own ventures.

With enthusiasm ignited and minds enriched, the event left a lasting impact, inspiring students to transform their innovative ideas into reality.

WORKSHOP ON PROTECTING INTELLECTUAL PROPERTY RIGHTS (IPRS) AND IP MANAGEMENT FOR STARTUPS

Theme	Innovation & Design Thinking
Activity Name	Workshop on Protecting Intellectual Property Rights (IPRs) and IP Management for Startups
Date of Activity	26 March, 2025
Mode of Conduct	Offline
Level of Activity	Level - 2
Participants	Faculty:02 Students:70
Description	<p>The Auxilium Institution's Innovation Council, in collaboration with the Departments of BBA and B.Com (CA), successfully organized a workshop on "Protecting Intellectual Property Rights (IPRs) and IP Management for Startups" on March 26, 2025. The objective of the workshop was to raise awareness about the importance of intellectual property rights and equip students and aspiring entrepreneurs with practical knowledge of IP management in the startup ecosystem.</p> <p>The event commenced with a warm welcome address by Mrs. Rajakumari P, Innovation Ambassador, Auxilium Institution's Innovation Council. She set the tone for the day by emphasizing the significance of intellectual property in fostering innovation and safeguarding creative ideas. Mrs. Rajakumari also introduced the chief guest and resource person, Mrs. Rabia Basari S, Innovation Ambassador, Auxilium Institution's Innovation Council.</p> <p>Mrs. S. Rabia Basari delivered an insightful and engaging session on various aspects of Intellectual Property Rights (IPRs). She provided a comprehensive overview of patents, copyrights, trademarks, industrial designs, and discussed effective strategies for leveraging intellectual property in the startup landscape.</p> <p>Her presentation focused on:</p> <ul style="list-style-type: none"> ➤ The importance of protecting innovations through IPRs. ➤ Legal frameworks governing intellectual property. ➤ The process of IP registration. ➤ Practical strategies for managing and monetizing IP assets in startups. <p>The session was a valuable learning experience, offering students and aspiring entrepreneurs a clear understanding of the role of IPRs in business competitiveness and innovation-driven growth.</p>

Through her interactive approach and use of real-world examples, Mrs. Rabia Basari ensured that the session was not only informative but also enjoyable and relatable. Students actively participated, posed questions, and engaged in meaningful discussions, which enriched the overall learning experience.

The workshop successfully highlighted the critical role of IPRs in today's dynamic and competitive business environment, equipping participants with essential knowledge to navigate the complexities of IP management.

The event concluded with a vote of thanks by Ms. Princiya A, from the Department of Business Administration. She expressed heartfelt gratitude to the chief guest, Mrs. Rabia Basari S, for sharing her expertise, and appreciated the enthusiastic participation of students. Ms. Princiya also acknowledged the efforts of the organizing team and faculty members in making the event a grand success.

The workshop was highly impactful, providing students with a comprehensive understanding of Intellectual Property Rights and their relevance in the startup ecosystem. It served as a valuable platform for learning, networking, and fostering an innovation-centric mindset among students.

Overall, the event was a resounding success, fulfilling its objective of educating and inspiring students on the importance of protecting and managing intellectual property in the business world.

Description	<p>The Auxilium Institutional Innovation Council, in collaboration with the Department of Commerce, organized an Inter/Intra Institutional Business Plan Competition on April 11 - 12, 2025. The primary objective of the competition was to encourage innovation, entrepreneurship, and creativity among students by providing them with a platform to showcase their business ideas and solutions.</p> <p>Students from the Department of Commerce enthusiastically participated, presenting their innovative business plans, ideas, and solutions. The plans were evaluated based on:</p> <ul style="list-style-type: none"> ➤ Innovation and creativity ➤ Feasibility of the business model ➤ Market potential ➤ Financial projections ➤ Presentation and communication skills <p>Day 1: Product Exhibition and Evaluation</p> <p>The event began with a welcome address by Ms. Juliet, Internship Activity Coordinator, Auxilium Institution's Innovation Council, who warmly welcomed the chief guest, Mrs. V. Sudarvizhi, Innovation Ambassador, Auxilium Institution's Innovation Council.</p> <p>On Day 1, the resource person, along with Dr. M. Julie, IPR Activity Coordinator, and Mrs. A. Anitha Janova, Startup Activity Coordinator, visited the student exhibits and listened to their business pitches. Serving as the panel of judges, they provided constructive feedback and valuable suggestions, helping students refine and improve their business plans.</p> <p>Day 2: Knowledge Sharing and Awards</p>

On Day 2, the resource person delivered an engaging session, sharing valuable insights on product innovation and entrepreneurship. She appreciated the students' creativity and acknowledged their efforts in developing and launching innovative products.

The event concluded with a reward and recognition ceremony, where the best business ideas and products were awarded prizes. The winners were:

S. No	Name of the Student	Class	Place
1	Ms. K. Gugapriya	I – M. Com	I
2	Ms. A. Juby Jersha	I – M. Com	II
3	Ms. M. Sabareeshwari	I – M. Com	III

They were awarded cash prizes. The competition successfully sparked interest in entrepreneurship and innovation among students, providing a valuable platform to present their ideas, receive expert feedback, and network with mentors. The event played a significant role in fostering entrepreneurial thinking and nurturing future innovators.
