<b>Report</b>	<p>The Department of Mathematics held its first academic meeting for the academic year 2024–2025 on June 13, 2024, marking the official commencement of the department's academic planning and coordination efforts. The meeting served as a platform to align faculty members on the academic goals, responsibilities, and strategic initiatives for the forthcoming year. The session began with a brief prayer, invoking divine guidance and blessings for a productive and successful academic journey ahead. Dr. Sr. V. SantiaguTheresal, Head of the Department, presided over the meeting and welcomed the faculty members. She delivered an opening address highlighting the vision, mission, and academic objectives of the department for the year. Her introduction provided a detailed roadmap for curricular and co-curricular engagements, emphasizing a commitment to academic excellence, student-centered learning, and interdisciplinary collaboration.</p> <p>Key points discussed in the meeting included:</p> <ul style="list-style-type: none"><li>➤ Course allotments and academic responsibilities for each faculty member</li><li>➤ Lesson planning, syllabus coverage timelines, and internal assessment schedules</li><li>➤ Mentoring responsibilities and strategies to support student progression</li><li>➤ Planning of seminars, workshops, guest lectures, and student development programs</li><li>➤ Encouraging research initiatives, paper publications, and faculty development</li><li>➤ Organizing outreach activities to enhance mathematical awareness and application.</li></ul> <p>Dr. Sr. V. SantiaguTheresal also stressed the importance of maintaining academic integrity, timely completion of syllabus, and fostering a supportive learning environment for students, particularly for those from first-generation or underprivileged backgrounds. She invited faculty members to actively contribute ideas that would promote innovation in teaching and enhance student engagement. Each faculty member was then entrusted with specific duties and responsibilities based on their areas of expertise and interests. Collaborative teaching, peer reviews, and continuous professional development were encouraged as part of the department's holistic approach.</p> <p>The meeting concluded with another short prayer, expressing gratitude and seeking continued strength and unity for the team as they embark on the new academic year. This first meeting laid a solid foundation for a well-coordinated and enriching</p>

academic experience for both faculty and students in the Department of Mathematics.

<b>Description</b>	Every student eagerly awaits the most remarkable event of their college life: the first day of college. On July 3, 2024, this memorable day arrived for the freshers of the academic year 2024 -2025 batch at Auxilium College of Arts and Science for Women, Regunathapuram. The purpose of the welcoming party is to greet new students in a friendly atmosphere and to encourage their creative impulses, boosting their confidence. It is the day when seniors and juniors finally bond and unite to celebrate being part of the college. First-year mathematics students were welcomed with red roses, balloons, and chocolates at this party, organized by our senior students. Dr. Sr. V. Santiago Theresal, Head of the Department of Mathematics, welcomed the students with a motivational speech. The students were calm and composed in their responses. Their joyful presence added double joy to the department.

<b>Description</b>	<p>The 78th Independence Day was celebrated with great enthusiasm and grandeur at Auxilium College of Arts and Science for Women, Regunathapuram. The Auxilium Institution's Innovation Council (AIIC), in collaboration with the Department of Mathematics, organized a series of events on 13 August 2024 to commemorate Indian independence. The objectives of the event were to pay tribute to our freedom fighters and the motherland, India; to encourage students and faculty members to respect the nation; and to provide students with exposure to national integrity, the struggle, and the sacrifices of the national movement. The celebrations on 13 August 2024 commenced with an engaging poem competition. The theme of the competition was <i>Innovators' Contributions and Their Role in Nation Building</i>. The poems focused on the glorious past and the promise of a bright future led by the nation's innovators. The Independence Day festivities continued with a vibrant cultural program where students showcased their talents in the performing arts. A highlight of the event was a beautiful dance performance that paid tribute to the nation's leaders. It was a moment of immense pride for both students and faculty members as they celebrated the spirit of independence through their artistic expressions.</p>
