INTERNATIONAL WORKSHOP ON INNOVATIONS IN PRECISION OPTICS & NANOMATERIALS FOR PHOTONICS

Activity Name	International Workshop on Innovations in Precision Optics & Nanomaterials for Photonics
Date of Activity	19.02.2025
Venue	Jamal Mohamed College (Autonomous), Thiruchirappalli
Mode of Conduct	Offline
Time	09.30 AM – 4.00 PM
Participants	Students - 16 Faculty - 02
Description	<p>On February 19, 2025, the PG & Research Department of Physics and the Jamal Chapter of Optica at Jamal Mohamed College (Autonomous), Tiruchirappalli, jointly organized a two-day International Workshop titled “Innovations in Precision Optics & Nanomaterials for Photonics.” The workshop was conducted in hybrid mode, facilitating participation both online and offline to ensure broader outreach and inclusivity.</p> <p>The sessions aimed to educate undergraduate and postgraduate students, along with newly recruited employees in the precision optics industry, about the latest advancements, fabrication techniques, and industrial applications of precision optical components and nanomaterials.</p> <p>A team of 16 undergraduate and postgraduate Physics students from our college, accompanied by two faculty members, enthusiastically participated in the event. The workshop featured expert lectures from eminent scientists, industry professionals, and academic researchers who shared their insights on the emerging trends and innovations in the field.</p> <p>A highlight of the workshop was the Paper Presentation Competition, which provided students a platform to showcase their research and technical skills. We are delighted to announce that Ms. A. Annedezoula, a student from our Department of Physics, was awarded the First Prize for Best Paper Presentation. Her exemplary performance not only reflected her individual dedication and academic excellence but also brought pride to the institution by demonstrating the research potential of our students on an international stage.</p>
