Title of the Event: WORLD TSUNAMI DAY 2021

Date: 05.11.2021

Place: Regunathapuram

Report:

World Tsunami Day was celebrated on 5TH November 2021 in our College by the Department of Commerce. There were 172 students present in the meeting. The meeting began with a speech by Mrs.S.Sumathi (Department Head, Commerce). Many students eagerly participated in the programme. Through this, the students learned many ways to protect the earth and nature. We hope all the students who participated in this event are implementing the ideas in their life.

Title of the Event: ASSOCIATION MEETING

Date : 13.11.2021

- Visiting the Adopted Village (Komappuram)
- Listing November activities - Leaders Birth/Death Anniversaries
- Conducting Seminars/Workshops/Conferences
- Completing the Syllabus

VILLAGE VISIT REPORT – KOMAPURAM

07/04/2022

Every year, Students and Faculties of the Commerce Department visit some orphanages, old age homes, and physically & mentally challenged children's schools to help and to make them happy. In this academic year 2021-2022, we helped the Komapuram village people by giving awareness about higher education, health issues, dengue fever, cleanliness, use of technology, and social media. Komapuram is located near Gandharvakottai Taluk in the Pudukkottai district. It is almost 6 km away from Gandharvakottai and 28 km from Auxilium College of Arts and Science for Women, Regunathapuram. Komapuram village itself is a Gram Panchayat and it has a total geographical area of 6 acres. In this village, there are about 2,500 people presently living in 700 houses. The village has few farmers and more laborers.

PURPOSE OF THE VISIT

To create awareness for the following:

- Girl child protection from social media
- Girls' Higher Education.

ACTIVITIES CARRIED OUT:

To extend our helping hands towards the Komapuram village, 47 students from the Commerce Department in Auxilium College visited the village along with 2 faculties: Assistant Professor Dr.S.Sumathi and Mrs.S.Juliet sellammal on 07.04.2022.

On 07.04.2022 (Thursday) at 10.30 AM we reached Komapuram village and met Mr.K.Anbu (councilor), Mr.Govindharaj, Mr.Kalimuthu, and Mr. Rengathurai who are noteworthy persons of the village. By accepting our request, they helped us to arrange the meeting with the people and also visit the Komapuram high school. Our Students eagerly participated in enacting the drama for girl child protection. The Komapuram high school headmaster Dr.Shanthi highly appreciated our college students for their efficient drama. She was very glad about the effort and shared her thoughts on girls' protection and girls' higher education.

- ❖ Our students enacted the drama for **girl child protection**.
- ❖ Increased the awareness of **girl child higher education**.
- ❖ Instructed people to avoid child labour and child marriage and explained punishments for those offenses.

PERSONAL EXPERIENCE OF OUR STUDENTS:

The village visit was the interface between college life and the people of the village. All those who visited had an amazing experience of rural life. Students were allowed to have a conversation with Mr.K.Anbu, councilor of the Komapuram village, Mr. Rengathurai, Mr. Kalimuthu, Mr.Arumugam, and Dr.Shanthi (Headmaster of Komapuram). Students were asked many questions regarding the awareness of a girl child and her higher education.

PLAN FOR THE NEXT VISIT:

- To expand the interaction with the Komapuram village people
- To create awareness about the Higher Education of girls Children
- To provide for their needs

CONCLUSION

The experience our students gained from the village visit encouraged them to work for rural development. They got a clear idea about what amenities and infrastructure are required for the betterment of life in a rural area. Students were also made aware of different schemes supported by our government for rural development. We are much thankful to the **Management of Auxilium College** for their initiative of such a village visit. By using this concept as a base, our students can make many brilliant projects for national development.

Title of the Event: TREE PLANTATION and EARTH DAY

Date: 30.05.2022

No of Participants: 172

Organizers: Department of Commerce

Report:

The Department of Commerce organized a tree plantation on 30th May 2022 in our college to celebrate Earth Week 2022. On this great day, one hundred and seventy-two students of our department participated in the event with all five faculties. Our Students joyfully played a small skit about our Earth and how we misuse our nature. This programme served as a wake-up call to learn about the importance of Earth and Plantation and how to maintain a green environment. The programme was carried out successfully in the presence of our Principal Rev. Sr.Dr.P.Selvarani and Vice Principal Rev Sr.Dr.M.Sebasti Jeya Pushpa.
