ICT ACADEMY MONGODB SKILL -A - THON 2025

Activity Name	MongoDB - Academic Leaders Connect Conference
Date of Activity	28.08.2025
Mode of Conduct	Offline
Time	9.30 Am to 01.30 Pm
Venue	Courtyard by Marriott, Trichy.
Participants	Faculty:01
Description	The ICT Academy, in association with MongoDB, organized the "Academic Leaders Connect Conference" on 28 August 2025 at Courtyard by Marriott, Trichy, from 9.30 a.m. to 1.30 p.m. The event was conducted in offline mode and brought together academic leaders, directors, deans, heads of departments, and faculty members from ICT Academy member institutions across Trichy, Thanjavur, and Pudukkottai. Dr. S. Padmavathi, ICT Academic Coordinator and Head, Department of Computer Science, represented Auxilium College of Arts and Science for Women, Regunathapuram, at the event. The session was led by Mr. Darshan Jayarama, Senior Technical Services Engineer, MongoDB; Mr. Saravanan G, AVP – Academia & Global Partners, ICT Academy; and Mr. Basavadarshan G. N, Senior Academic Partnership Manager – APAC, MongoDB. The conference aimed to introduce academic leaders to MongoDB's academic partnership programs, promote skill development initiatives for students in database technologies, and provide opportunities for students to earn official MongoDB Skill Badges through Skillathon 2025. During this event, Dr. Sr. V. Santiagu Theresal, IIC Vice President and Innovation Ambassador, was honored with the Rising Contributor Award from ICT Academy on 29 August 2025 for her outstanding mentorship and active participation. The college also received a Certificate of Recognition for its active involvement in MongoDB Skillathon 2025, which was received by Dr. S. Padmavathi on behalf of the institution. A total of 260 students from the college registered for the Skillathon, and 224 students successfully completed it. The registration process was held from 20 May to 6 June 2025, followed by a self-learning window from 1 July to 16 August 2025, culminating in the Leaders Connect event on 28 August 2025. The program provided students with valuable hands-on experience in MongoDB technologies and enabled them to earn official MongoDB Skill Badges, significantly enhancing their employability. The collaboration between ICT Academy, MongoDB, and member institutions was further strengthened through this initiative. The event proved to be impactful and inspiring, fostering academic–industry collaboration and marking a significant step toward building a skilled database talent pool at Auxilium College.

TRAINING IN ADVANCED IT SKILLS UNDER THE IBM SKILLS BUILD PROGRAM

Activity Name	Training in Advanced IT Skills Under the IBM Skills Build Program
Date of Activity	10.03.2026 – 14.03.2026
Mode of Conduct	Offline
Time	09.00 AM - 4.00 PM
Participants	Faculty:03 Students: 63
Description	In alignment with the objectives of the Institution's Innovation Council (IIC) to promote innovation, industry interaction, and skill development in emerging technologies, Auxilium College of Arts and Science for Women, Regunathapuram, in collaboration with ICT Academy and IBM Skills Build, successfully organized a five-day "Training in Advanced IT Skills" programme from 10 March 2026 to 14 March 2026. The programme was designed to equip students with industry-oriented competencies in Artificial Intelligence, cloud technologies, and advanced digital applications, thereby enhancing their innovation skills, critical thinking, and employability. The Artificial Intelligence Course was conducted under IBM India Pvt. Ltd. in collaboration with ICT Academy as part of the "Advanced IT Skills Training" CSR initiative. The programme was organized following the successful completion of the mandatory self-learning component through the IBM Skills Build platform. A total of 63 final-year students from the Departments of Computer Science and Computer Applications actively participated in the training and benefited from both theoretical learning and practical exposure. The inaugural session was formally held on 13 March 2026. Dr. S. Padmavathi, Head of the Department of Computer Science, welcomed the gathering and introduced the dignitaries and resource persons. The programme was graced by Sr. Vedamuthu Santiagu Theresal, ICT Coordinator, who encouraged the students to make effective use of the opportunity to strengthen their knowledge and technical competencies in the field of Artificial Intelligence. Her motivational address inspired the participants to approach the training with dedication, creativity, and enthusiasm. Mr. Prasanth M., Technical and Soft Skill Trainer, ICT Academy, served as the resource person for the programme. With his expertise in Artificial Intelligence and Data Science, he effectively guided the students through practical sessions, demonstrations, and project-based activities. Mr. Venkatesh, Relationship Manager, ICT Academy, addressed the students on the significance of industry collaboration and continuous skill development through platforms like ICT Academy and IBM Skills Build. Sr. Dr. Santiagu Theresal V, Vice Principal and ICT Coordinator,

	honored the trainer with a shawl as a token of appreciation. The course structure comprised 42 hours of training, including 16 hours of self-learning, 24 hours of instructor-led training, and a final assessment. The sessions covered advanced topics such as Azure AI Services, Azure OpenAI, Generative AI applications, AI agents, Computer Vision technologies, Natural Language Processing, speech technologies, and multi-agent AI solutions. Hands-on lab activities enabled students to create AI-based applications using real-time datasets and develop speech-enabled applications, thereby fostering experiential learning, innovation, and problem-solving skills. The programme was offered completely free of cost to the students under the CSR initiative. ICT Academy also extended a grant of Rs. 12,500 per batch to the institution towards incidental expenses incurred during the conduct of the training programme. The inaugural session and training activities were systematically organized with proper arrangements for registration, technical setup, and academic coordination. The valedictory session was held on 14 March 2026. Ms. D. Keerthi, Assistant Professor, Department of Computer Science, delivered the vote of thanks. Students shared positive feedback and expressed that the programme was highly informative, practical, and beneficial for enhancing their technical competencies and career readiness. Out of 63 participants, 62 students successfully completed the programme and received joint certification from IBM and ICT Academy. The programme proved to be highly effective in promoting innovation-driven learning, strengthening industry-academia collaboration, and empowering young women with future-ready technological skills in alignment with the vision and objectives of the Institution's Innovation Council (IIC).

UNIVERSITY RANK HOLDERS – UG

Activity Name	University Rank Holders – UG
Date of Activity	10.04.2026
Mode of Conduct	Offline
Venue	Open Auditorium
Time	10.00 am to 01.00pm
Description	The 14th Graduation Day of Auxilium College of Arts and Science for Women, Regunathapuram, was celebrated with great joy, dignity, and academic pride on 10 April 2026 in the college auditorium. The ceremony marked a significant milestone in the lives of the graduating students and served as a memorable occasion to honour their academic accomplishments and perseverance. The programme was conducted in a grand manner, and the degrees were conferred by the Chief Guest, Rev. Fr. Dr. M. Arockiyasamy Xavier, SJ, under the auspices of our Secretary, Rev. Sr. Magnificat, in the presence of the Principal, Rev. Sr. Dr. M. S. Jeya Pushpam, Vice-Principal, Rev. Sr. Dr. Santiagu Teresal, Heads of Departments, and faculty members. A moment of great pride for the Department of Computer Science was the outstanding achievement of Ms. A.Rini Gladiya, who secured the 15th Rank, Ms. M.Archana, who secured the 16th Rank and Ms.S.Abirami, who secured the 17th Rank at the university level. The students were specially recognized and appreciated during the ceremony for their outstanding academic achievements. Their accomplishments brought great pride and honour to the Department of Computer Applications and the institution. The event concluded on a joyful note, celebrating the hard work, dedication, and academic accomplishments of the students.
