ONE DAY WEBINAR

REPORT

The Department of Computer Science and Computer Application organized a webinar on *"***Data Science – A Magic for Future Predictions***"* on 9th April 2022 (Saturday) from 10:00 AM to 1.00 PM, through the Google meet platform. The lecture in this webinar was given by **Dr.B.Srinivasan, Associate Professor of Computer Science, School of Arts and Science (SAS), AV Campus, Vinayaka Mission's Research Foundation, Paiyanoor, Chennai.**

Ms. D. Keerthi welcomed all the participants who were present on that day. She also extended her welcome to the resource person present there despite their busy schedule to spare their valuable time to be a part of the program.

Dr. B. Srinivasan delivered a lecture on the topic "**Data Science – A Magic for Future Predictions**". He explained the importance and goals of data science predictions and also showed the responsibility of making predictions from the data. Through those conclusions, he was able to assist companies in making smarter business decisions.

We received a good response from the audience and also, and they gave many excellent feedbacks. The resource person thanked the organizers for arranging the live webinar. At the end of the webinar, R.Allirani, Assistant Professor delivered the vote of thanks. She thanked the resource person, Management, HoDs, Faculty members, and participants for their active support in making the program very successful.

FOSSIL CLIMATIC CHANGE CRISIS AND WAR

REPORT

An awareness program to protect the environment in our field of computer science was held on the 20th of May, 2022. At that event, an awareness film on environmental protection was screened. This film had a message to pursue knowledge and practices that could lead to being more environmentally friendly and ecologically responsible in decisions and lifestyles, which would help protect the environment and sustain its natural resources for current and future generations. All department students attended the event and they learned from that video.

TECHNICAL EXHIBITION

Report

National Technology day was celebrated at Auxilium College of Arts and Science for women, Regunathapuram by the Department of Computer Science and Application on 24th May. The theme of the day was “Science & Technology for a Sustainable Future”. The event was inaugurated by our beloved principal Sr.Dr.P.Selvarani. During the event, a total of 987 students visited the technical exhibition. In addition, the visiting students gained a unique experience of science and technology from the exhibition.

INDUSTRIAL VISIT REPORT

REPORT

The Department of Computer Science and Computer Application of Auxilium College of Arts and Science organized an industrial visit on 2nd June 2022 to Systech in Trichy for the students of the same department.

We began the trip from the college campus at 7.00 am. Totally 79 **students** along with **4 coordinators faculties** went on the visit.

This Industrial visit was very helpful for our future and brought a positive change in our thinking and behavior regarding education and specialization of our technical skills. We acquired practical knowledge about the advancement in technology, information on different parts, and the use of hardware and networking tools.

We hope to get more chances to have such informative & wonderful experiences of visiting different industries

TROPICAL BUTTERFLY CONSERVATORY, TRICHY

The butterfly park covers 25 acres. The conservatory lies in the river Cauvery and Kollidam drainage basin. The Conservatory consists of Butterfly Park and Nakshatravanam (star forest). The conservatory falls under Tiruchirappalli Forest Division. We watched the butterfly life cycle in a short movie and it was very informative.
