Report:

To inculcate the syllabus is not enough for " Explore the impact of computing society and build skills in digital citizenship" based on this, we have inculcate our students into the extracurricular activities this is what called "SYNERGY" that means synchronizing energy. Synergy engaged our students in real world activities like, Ad zap, Quiz, voice recognition dumb chat and paper presentation.

There are 373 students have participated in these events from various departments and won the prizes too. Dr.M.Sughasiny, M.Sc(IT), M.Phil, Ph.d.,

Hod in CS(PG), srimad Andavan arts and science college, Trichy, who acted as chief guest and presented a pear on recants trends in computing. Finally our secretary Rev.Sr.Sria Pushpam, FMA who distributes prize and gave key note address.
