Date of Activity	07.11.2023
Mode of Conduct	Offline
Time	10.00 am to 05.00 pm
Participants (offline)	Faculty: 6 Students: 80
Description	<p>The Auxilium Institution's Innovation Council in collaboration with the Department of English organized the Motivational Session on "My Story" by Successful Innovator on 07 November 2023 at Media hall. The Session was conducted by Dr.P.Guru, Director (i/c) & Associate Professor, Centre for Institution Industry Interaction (CIII) & Department of Management Studies, Periyar Maniyammai Institute for Science and Technology, Vallam, Thanjavur. The program was started with the presence of our Principal Rev.Sr.Dr.M.Sebasti Jeya Pushpa and Vice-Principal Rev. Sr. Dr. V. Santiago Theresal. After the welcome address, the session was handed over to the chief guest. The theme of the program was to stimulate student's creative ideas & thinking processes and the main objective of the program was to improve knowledge about Innovation, encourage self-employment, and inspire young women to become successful Innovators.</p> <p>Dr. P. Guru inspired the participants with his successful story by sharing his varied and wide experiences in the competitive world. He created awareness on how to achieve our goals and what are the elements to be followed for our successful life. He insisted that all should have specific goals and have to stick with them. He denoted the success formulas of famous companies like Amazon, Google, etc. He recollected the words of Dr.APJ Kalam, Mr.Sundar Pichai, and Mr.Narayana Moorthy who are the successful innovators of India. Then he explained about perseverance through playing a motivational video and that was very useful to the students. They learned to</p>

never give up our goal at all. He pointed up the golden rule to the participants that opportunities must be searched for, rather than waiting, And Everybody must have a definite idea about our ambition. The whole session provided hope and clarity when circumstances become hard and discouraging and built life skills in students. The session concluded after a Q&A session, in which students interacted with the resource person to learn different aspects of being a successful innovator. It was like a brainstorming session and helped to create something new and move away from stereotyped thought patterns. Finally, the program was concluded with a vote of thanks.
