BOOK FESTIVAL - 2023

Activity Name	Book Festival
Date of Activity	05.08.2023
Mode of Conduct	Offline
Time	One Day
Participants	Faculty: 10 Students: 113
Description	<p>Pudukkottai Science Association Organized the 6 th Book Festival from 28.07.2023 – 06.08.2023. We were invited by the organizers to participate in the Book Fest. So 113 students and 10 faculties along with the principal visited the book Exhibition on 05th August 2023. Students got an opportunity to buy a variety of books in a single place. The Exhibitors explained everything in a detailed manner. The principal purchased more than 100 books for the college library, such as competitive exam books, comic books, Moral stories, Tamil literature books, and Science books. It was an exposure visit to the students. It helped to develop student's reading skills and thirst for knowledge.</p>

INDUSTRIAL VISIT – 2023

Activity Name	INDUSTRIAL VISIT
Date of Activity	09.09.2023
Mode of Conduct	Offline
Time	9.30 AM – 4.30 PM
Participants	Students: 70 Faculty: 04
Description	<p>An industrial visit was arranged by the Department of Physics at our college to Thanjavur on September 9, 2023. Seventy students, along with four faculty members from our department, participated in the trip. During the visit, we explored scientific equipment and a planetarium, and observed exhibits related to Science, Technology, Engineering, and Mathematics (STEM) at the STEM Park. This trip provided us with valuable insights into scientific knowledge. We also visited many other famous historical sites in Thanjavur. Overall, it was an informative, interesting, and successful trip.</p>

YOUTH AWAKENING DAY- 2023

Activity Name	Youth Awakening Day
Date of Activity	16.10.2023
Mode of Conduct	Offline
Time	09.00 am – 09.30 am
Participants	Staff: 5 Students: 50
Description	<p>Every year on October 15, "YOUTH AWAKENING DAY" is celebrated in remembrance of Bharat Ratna Dr. A.P.J. Abdul Kalam on his birthday. This year, the Department of Physics at our college celebrated the day on October 16, 2023. Shanmugapriya, a second-year BSc Physics student, delivered a brief speech about Dr. A.P.J. Abdul Kalam. She highlighted his birth, achievements, and notably his vision for India's growth, emphasizing the role of young people in shaping their futures and achieving their goals.</p> <p>The students were inspired by hearing about his thoughts, achievements, and social works.</p>

ENERGY CONSERVATION DAY

Activity Name	ENERGY CONSERVATION DAY
Date of Activity	14.12.2023
Mode of Conduct	Offline
Time	10 am – 4.00 pm
Participants (offline)	Students: 88 Faculty: 06
Description	<p>AIIC in collaboration with the Department of Physics organized an event on Energy Conservation Day on 14 December 2023. The objective of the event was to create awareness about the importance of energy conservation and to promote sustainable energy practices among the participants. The event had Mrs. M. Rajamani, Exnora club Co-ordinator as the keynote speaker, who is an expert in the field of energy conservation. Miss.Punitha, Miss. Anushiya and Ms.Rameshwari, assistant professors from the Department of Physics, were the faculty organizers of the event. The keynote speakers' presentations covered topics such as renewable energy sources, energy-efficient technologies, and energy-saving tips for households and businesses. Energy conservation is a crucial aspect of sustainable development, our goal is to reduce energy conception and eradicate the negative impact on the environment. The presentation was an interactive discussion that contributed to raising awareness enhancing knowledge and saving our environment. It is hoped that the event's outcome will inspire students to become ambassadors of energy conservation and encourage others to adopt energy-saving practices daily lives. The event also provided a platform for the participants to network with experts in the field and like-minded individuals who are passionate about promoting sustainable energy practices.</p>

CHRISTMAS CELEBRATION – 2023

Activity Name	Christmas Celebration
Date of Activity	22.12.2023
Time	10.00 - 1.00 pm
Participants	Students: 88 Faculty Members: 06
Description	<p>The Auxilium College of Arts and Science for Women celebrated the Christmas festival on December 22, 2023, in the college auditorium. The event commenced with a welcome song performed by students from our department. Additionally, the Physics department students creatively decorated the college notice board, presenting a display based on the birth of Jesus Christ that explained the significance of the occasion. The celebration was joyfully concluded, spreading happiness and positive thoughts throughout the college community.</p>

PONGAL CELEBRATION – 2024

Activity Name	Samathuva Pongal
Date of Activity	12.01.2024
Time	9.00 am - 12.30 pm
Participants	Students: 88 Faculty Members: 06
Description	<p>The Auxilium College of Arts and Science for Women celebrated the Pongal festival on January 12, 2024, on the college campus. The festivities were inaugurated by the college secretary, Rev. Sr. Magnificat, who marked the occasion with the waving of a flag. The faculty and students from the Department of Physics took a leading role in preparing the "Samathuva Pongal," a special communal dish symbolizing equality and shared joy. Pongal is traditionally known as the 'Thanksgiving Festival' in South India. The celebration at Auxilium College was a day filled with love, joy, and happiness, embodying the spirit of gratitude and community shared by all present.</p>

CHARITY DAY CELEBRATION – 2024

Activity Name	Charity Day Celebration
Date of Activity	20.02.2024 – 21.02.2024
Mode of Conduct	Offline
Time	9.00 am – 1.30 pm
Participants	Students:84 Faculty Members: 06
Description	Auxilium College of Arts and Science for Women celebrated Charity Day on February 20-21, 2024. Mrs. M. Rajamani, Assistant Professor and Head of the Physics Department, along with other faculty members, oversaw the preparation of various cool and hot drinks by the students. The proceeds from these stalls were generously donated to support an old age home, and orphanages, and to assist financially disadvantaged students studying at our college. Over these two days, the students learned valuable lessons about charity, generosity, sharing, and service, reinforcing the community values encouraged at Auxilium College.

NATIONAL SCIENCE DAY CELEBRATION

Activity Name	NATIONAL SCIENCE DAY
Date of Activity	28.02.2024
Mode of Conduct	Offline
Time	One Day
Participants (offline)	Students: 47 Faculty: 04
Description	<p>AIIC, in collaboration with the Department of Physics, organized a celebration for National Science Day at Alagappa University, Karaikudi, on 28th February 2024. The event saw participation from 47 students and 4 faculty members from the Department of Physics. The primary aim of the event was to broaden participants' understanding of Instrumental Characterization.</p> <p>Throughout the day, attendees visited several specialized laboratories, including those focused on Crystal Growth, Thin Film, Solid State Physics, Material Science, Electronics, and Chemical and Microbiological research. These visits offered students a unique opportunity to glean innovative ideas and deepen their knowledge across various scientific and advanced technological fields.</p> <p>This initiative not only commemorated National Science Day but also played a crucial role in inspiring the next generation of scientists by exposing them to the vast possibilities and advancements within the realm of science.</p>
Photos	<p>The first photograph shows a group of people, including students and faculty, gathered in a laboratory or classroom setting. They appear to be engaged in a discussion or activity. The second photograph shows a large group of students and faculty members posing for a group photo in front of a building. The students are wearing colorful sarees, and the faculty members are in professional attire.</p>
