**Report** :

This minutes summarizes the experience of “**NATIONAL SCIENCE DAY**” on **28 February, 2021** in the topic of “**RAMAN SPECTROSCOPY**” convened online by the **Department of Physics** with the support of the management **AUXILIUM COLLEGE OF ARTS AND SCIENCE FOR WOMEN, Regunathapuram.**

On that day we invited **Dr.A.PALANIMURUGAN** M.Sc.,M.Phil.,B.Ed.,SET.,Ph.D., Assistant Professor in Chemistry, **Raja Doraisingam Govt. Arts College** ,Sivagangai.

The Program was inaugurated by our Principal **Rev.Sr.Dr.P.SELVARANI** and she addressed about the purpose of ‘**National Science Day**’. The welcome address was delivered by **Mrs.M.SANGEETHA HOD of Physics.**

There were above 80 students from various colleges participated in that program. Then the session was handover to the Chief Guest. He gave the lecture on the topic of “**Raman spectroscopy,basic and principle**”. At the end of the lecture our chief guest explained all the queries from the students. Then the program concluded with the vote of thanks.

What are the motives behind celebrating National Science Day?

- Creating and applying new techniques for the development of sciences.
- Efforts in the field of science and also for human welfare.
- It is essential to understand and demonstrate achievements.
- Provide an opportunity for those people in the science field.
- Want to develop their career.
- Encourage people and popularize science and technology.
- This is necessary to accelerate the pace of development for application dissemination.
