INCUBATION CENTRE - EXPOSURE VISIT

Activity Name	Incubation Centre - Exposure Visit
Date of Activity	02.08.2023
Mode of Conduct	Offline
Time	One Day
Participants	Students: 60 Faculty: 10
Description	<p>60 students and 10 Faculty members along with IIC Vice President Sr.Dr. V.Santiago Theresal from Auxilium College of Arts and Science for Women visited the incubation center at Periyar Maniyammai Institute of Science and Technology, Vallam on 2nd August 2023. Dr.Aruna, the Director of the Incubation Centre Explained the establishment, functions, and other activities of the Centre. She explained about herbal products, solar energy conservation, waste management, etc. She also emphasized on 3 "R"s, Reduce, Recycle, and Reuse. Then we visited the Digital library, Robotics Science Centre, Audio Lab, and Multi-Media Centre unit and obtained knowledge. Students were given awareness of Vermicompost. This visit created more awareness and innovation among the students to be more creative innovators.</p>

STATE LEVEL SEMINAR – 2023

Activity Name	State Level Seminar
Date of Activity	29.09.2023
Mode of Conduct	Offline
Time	10 am to 4.30 pm
Participants	Students: 150 Faculty: 13
Description	<p>The Department of Physics at Auxilium College of Arts and Science for Women organized a state-level seminar on "Emerging Trends in Physics" on September 29, 2023. Mrs. M. Rajamani, Assistant Professor and Head of the Department, coordinated the seminar with the support of other faculty members.</p> <p>The seminar was inaugurated by the College Principal, Sr. Dr. M. Sebast Jeya Pushpam, who highlighted the significance of physics in everyday life. Esteemed guest speakers, Prof. Dr. S. Jeyavijayan from the Kalasalingam Academy of Research and Education, and Prof. Dr. S. Dheivamalar from Thanthai Periyar Govt Arts and Science College, Trichy, graced the event. Prof. Dr. Jeyavijayan presented insightful information on the field of Spectroscopy, while Prof. Dr. Dheivamalar focused her presentation on Vibrational Spectroscopy.</p> <p>The seminar served as a platform for students to present papers related to the latest advancements and trends in the field of physics. Participating students had the opportunity to engage with experts, enhance their understanding of spectroscopy and its applications, and discuss the practical impact of physics on various industries and everyday life. The event concluded with the distribution of prizes and certificates to the students, recognizing their efforts and encouraging them to further explore and contribute to the field of physics. This seminar not only enriched the students' academic journey but also inspired them to pursue innovative research and applications in physics.</p>

EXPERT TALK ON PROBLEM SOLUTION-FIT AND PRODUCT MARKET-FIT

Activity Name	Expert Talk On Problem Solution-Fit And Product Market-Fit
Date of Activity	19.02.2024
Mode of Conduct	Offline
Time	10.00 am – 5.00 pm
Participants (offline)	Students: 135 Faculty: 05
Description	AIIC in collaboration with the Department of Physics organized a workshop on “Problem Solution-Fit and Product Market-Fit” on 19 February 2024. The objective of the event was to create awareness about the needs and importance of herbal products. The participants were around 88 students and 6 faculty members. The keynote speaker of the event was Mrs.Vijaya Mahadevan, Founder of Vaseegrah veda. She covered the topics of “traditional recipes for beautiful skin and hair”. There was an interactive session that provided knowledge about starting a business and helped to promote the students to become an entrepreneur. The event also provided self-motivation to the participants who were willing to enhance their knowledge about the business.
