INTERNATIONAL YOUTH DAY (TANSACS)

Activity Name	International Youth Day (TANSACS)
Date of Activity	12. 08. 2025
Mode of Conduct	Online
Time	10.00 am to 11.00 am
Venue	Media hall, Auxilium College of Arts and Science
Participants	Faculty:03 Students: 100
Description	On 12th August 2025, the Red Ribbon Club of Auxilium College of Arts and Science for Women, Regunathapuram, actively participated in the TANSACS State-Level Online Quiz Competition organized by the Tamil Nadu State AIDS Control Society (TANSACS), Chennai, as part of the Intensified Campaign - 2025. The event, held from 10:00 a.m. to 11:00 a.m. in the college Media Hall, marked the celebration of International Youth Day. The quiz focused on a range of significant topics including HIV/AIDS awareness, Tuberculosis, Blood Donation, Adolescent Health, Public Health, and General Knowledge. Its main objective was to enhance health awareness among youth and to promote social responsibility toward building a healthy and informed community. A total of 100 Red Ribbon Club volunteers from various departments enthusiastically registered through the official online portal between 24th July and 10th August 2025 and participated actively in the competition. The event was coordinated by Dr. M. Julie, Red Ribbon Club Coordinator, along with Mrs. P. Rajakumari from the Department of Commerce and Ms. A. Princiya from the Department of Business Administration, who motivated and guided the students throughout the event. Participants expressed that the quiz was both informative and inspiring, enriching their knowledge of public health issues and strengthening their awareness of HIV prevention and adolescent health. The event successfully promoted the spirit of youth participation, awareness, and commitment toward a healthier society.

HIV/AIDS AWARENESS PROGRAMME

Activity Name	HIV/AIDS Awareness Programme
Date of Activity	30.09.2025
No of Participants	Students: 150 Faculties: 05
Description	The Red Ribbon Club (RRC), in collaboration with the National Service Scheme (NSS) and the Youth Red Cross (YRC) units of Auxilium College of Arts and Science for Women, Regunathapuram, organized an Awareness Programme on the Prevention of HIV/AIDS on 30 September 2025 at the College Media Hall. The event witnessed the participation of around 160 students and faculty members. The session began with a welcome address by Ms. A. Thagira Banu, a third-year B.Com (CA) student, who warmly greeted the gathering and emphasized the importance of awareness and empathy. Following this, RRC volunteers presented a mime performance conveying powerful messages on the prevention of HIV/AIDS and the need for social responsibility among youth. The chief guest, Mrs. M. Pushpam, HIV/AIDS Counselor from Malaiyur, delivered an insightful and informative address, enlightening students about the causes, prevention, and misconceptions surrounding HIV/AIDS. She also highlighted the vital role of the Red Ribbon Club in promoting awareness and fostering a sense of responsibility among young people. An interactive session followed, during which volunteers clarified common misconceptions such as “HIV cannot be spread through mosquito bites, close kissing, or sharing clothes.” The program concluded with a thank-you speech by Ms. S. Yasmin of III B.Com, followed by the National Anthem. The event proved to be highly educational and impactful, enhancing students’ understanding of HIV/AIDS and reinforcing the importance of accurate knowledge, empathy, and social responsibility in combating the stigma associated with the disease.

Date	10.12.2025
Time	10.00 A.M to 3.15 P.M
Mode of Conduct	Offline
Venue	Bharathidasan University, Tiruchirappalli.
Resource Person	Dr.L.GanesanRegistrari/c, Bharathidasan University Mr.T.Thangavelu Assistant Director (Youth Affairs) TANSACS, Chennai Dr.S.ManivannanArt Medical Officer & District Programme Manager i/c. District AIDS Control & Prevention Unit (DAPCU) Tiruchirappalli.
No. of Participants	Students: 02 Faculty: 01
Description	As part of the Institution's Innovation Council (IIC) focus on health awareness, preventive education, and socially responsive innovation, two students and the RRC Programme Officer from Auxilium College of Arts and Science for Women participated in the RRC Programme Officers Meet & Peer Educators Training Programme held on 10 December 2025 at Bharathidasan University, Tiruchirappalli. The programme commenced with a formal welcome address by Mr. M. Ramachandran, RRC Programme Officer, Bharathidasan University, followed by the Presidential Address by Dr. M. Selvam, Vice Chancellor, Bharathidasan University. In his address, he highlighted the role of educational institutions in promoting health awareness and responsible citizenship among youth. Dr. L. Ganesan, Registrar i/c, Bharathidasan University, spoke on the registration process of RRC units, the roles and responsibilities of RRC members, and the importance of maintaining active units and adequate student participation in colleges. Mr. T. Thangavelu, Assistant Director (Youth Affairs), TANSACS, Chennai, delivered an informative session using a presentation, explaining the modes of transmission of HIV, preventive measures, and the importance of compassionate care

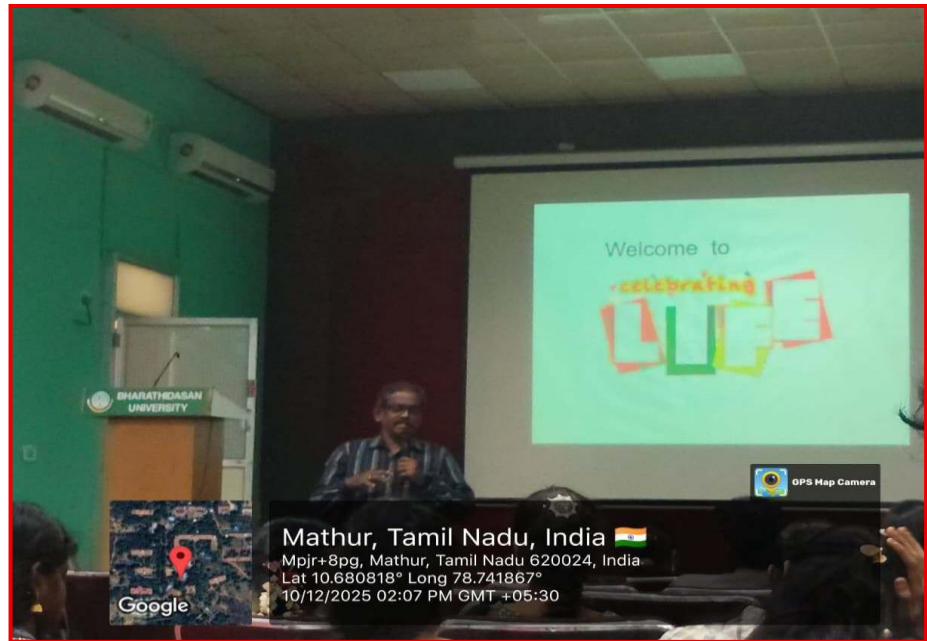

towards persons affected by HIV/AIDS. His session emphasized awareness-based interventions as key to reducing stigma and promoting inclusive health practices.

Dr. S. Manivannan, ART Medical Officer and District Programme Manager i/c, DAPCU, Tiruchirappalli, presented district-wise statistical data on HIV prevalence and elaborated on safety precautions related to medical injections, blood donation, and safe sexual practices. He also stressed the importance of healthy lifestyles, balanced nutrition, and voluntary blood donation, motivating youth to support people living with HIV/AIDS and to ensure access to safe and adequate blood during emergencies.

The programme concluded with a vote of thanks proposed by Mr. P. Ramajayam, RRC Programme Coordinator. The training programme enhanced the participants' understanding of public health challenges and strengthened their capacity to act as peer educators and change agents, aligning with IIC's objective of fostering innovative, socially impactful, and health-conscious initiatives.
