## REPORT

"The report presents the feedback on the syllabus received from students, staff, and alumni across different departments of Auxilium College of Arts and Science for Women, located in Regunathapuram, Tamil Nadu. It addresses expectations concerning the syllabus content, and additional requirements for course-level assessment, and incorporates explicit statements from students regarding the syllabus size, supplementary learning needs, availability of textbooks, and reference materials in the market.

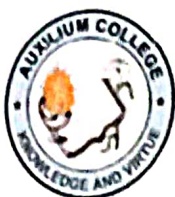

Furthermore, the report provides explanations regarding the availability of syllabus-based e-resources, alignment of syllabus content with allocated hours, practical application levels of the subjects, support for pursuing higher education, and integration of the latest developments in the respective fields. The analysis included herein offers insights into the perspectives of each department within the college. Additionally, it details the suggestions made and actions taken based on this feedback analysis."

### INTERNAL QUALITY ASSURANCE CELL (IQAC) FEEDBACK ANALYSIS & ACTION TAKEN REPORT 2022-2023

"Our Auxilium College of Arts and Science for Women regularly receives feedback from students concerning the syllabus, communication, facilities, and teaching and learning methodologies across various aspects. Feedback is also gathered from teachers, alumni, recruiters, and parents during various meetings conducted throughout each academic session. Sample feedback forms can be accessed via our college web portal.

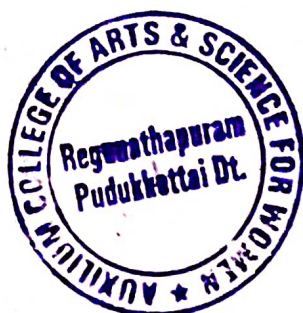

The Internal Quality Assurance Cell (IQAC) has played a pivotal role in analyzing the collected data. Based on the IQAC's analysis of various feedback, necessary actions will be implemented.

#### 1. STUDENT FEEDBACK ANALYSIS AND ACTIONS TAKEN REPORT

The IQAC collected feedback from students regarding teachers, college teaching methods, infrastructure, and various other aspects during the academic year 2022-2023. The representation of the feedback analysis and a summary of the actions taken report are as follows."

#### Feedback Analysis

#### Action Taken Report - Based on the Feedback Received from Students

- Our college is planning to support experimental learning and participative methods to enhance learning experiences through creative approaches.
- We have asked our teachers to prepare assignments, seminars, workshops, group studies, club activities, and paper presentations in advance, incorporating additional references to uplift our students.
- Our college is planning to stock numerous subject books, general books, research journals, and magazines, and utilize DELNET in the library, along with E-Resources tailored for each program.
- Our college aims to encourage opportunities such as internships, postgraduate projects, field visits, and field projects, offering students experiences beyond academic activities.

### Action Taken Report - Based On the Feedback Form Teachers

- In addition to the prescribed syllabus, our students are studying the EVS course. Furthermore, the college has planned to motivate our students regarding environmental issues and their involvement in environmental conservation.
- We plan to provide more smart classrooms in the college to introduce new teaching methods and strategies aimed at facilitating experiential learning among students.
- Our college provides ample opportunities and support to faculty members for upgrading their skills. Additionally, we have plans to assist them through financial support.
- Our teachers outline the benefits of their courses and the program outcomes in the college prospectus. Moreover, we have plans to conduct more Value-Added Courses (VAC), add-on courses, and certificate courses.
- We have planned to conduct parent-teacher meetings for each department to track our student's progress, and we seek the fullest support from our parents.

### Action Taken Report - Based on the Feedback Received From the Recruiter

- Our college has faculties who are deeply involved in equipping our students with leadership, planning, and organizational skills. We intend to provide additional training from external trainers as supplementary resources.
- Our college aims to prepare students with the necessary knowledge and skill sets required for professional competence. The placement cell actively engages with companies for our students' placement opportunities.
- Faculty members in our college are encouraged to educate students, especially those from rural backgrounds, on appropriate dress codes.
- While our college adheres to courses designed by the parent university, we are planning to submit suggestions for syllabus revisions to enhance subject knowledge. Additionally, we intend to expand our range of Add-on and certificate courses to support our students' careers.
- While our college currently follows the courses designed by the parent university, we intend to implement internships, industrial visits, field visits, and field projects to enhance our students' practical knowledge and overall improvement.

### Action Taken Report - Based On the Feedback Received From Alumni

- We conduct numerous placement training programs periodically for the students, and our teachers are dedicated to motivating our students with soft skills, life skills, and employability skills to prepare them for the world beyond college.
- We plan to construct a new building to meet the requirements of our Arts and Science students.
- In response to our students' needs, we plan to implement a three-installment method for semester fee payments.
- We aim to enhance the bus facilities for the safe transportation of students.
- We plan to establish a separate canteen and stationery shop for the welfare of our students.
